These guidelines are not intended as legal advice. These guidelines are a general statement of BIM Properties advertising standards and are not intended to be comprehensive. Adherence to these guidelines (a) does not guarantee acceptance of advertising content for insertion on the BIM Properties, (b) does not mean compliance with laws and regulations. Blu Inc Media encourages each advertiser and its agency to consult with its legal advisors to ensure compliance with all laws and regulations applicable to their advertisements before seeking to advertise on the BIM Properties.

## Advertiser Responsibilities
